

Central Lutheran Sunday School

At Central we have Sunday school for children in 4k-6th grades. It is every Sunday from September through May from 9:35 to 10:35. All children except for the 6th grade meet in the basement of the church; the 6th grade meets in their room upstairs in the church.

So this is what Rotational Sunday school is:

In a rotational setting, the same Bible story or theme is taught for four weeks. Each week, children rotate to a different learning station. The story remains the same, but the children encounter it in different ways in each station. Repetition is an important part of the rotation approach. The more ways children explore a story or concept the more it is reinforced in their memories. The variety of experiences keeps interest high throughout the unit. Teachers teach the same lesson, with age-level adjustments, for the length of the rotation. Rotational learning is exciting for students and teachers alike, as teachers teach to their strengths and students experience Bible stories in ways they learn best. Choices for workshops are movie, cooking, art, and games. The 4k class has music the first half and goes to their room for the second half. The 5k-2nd grade classes start with music with Diane Schultz and then go to their rotation which is Craft, Movie, and Kitchen. The 3rd-5th grade classes start with their rotation which is Games, Movie, and Kitchen and then go to music with Diane.

The 6th graders go to their room and have their own Sunday school with some rotation in it.

We do have a lot of volunteers that help make this run each week and every year we could always use more. If you are interested in helping please call Diane Schultz at 715-926-5370 or Kari Lewis 715-926-4281. We have signup sheets on the bulletin board in the church during the summer and downstairs when Sunday School begins.

Sunday School Rotations
